Monchhichi®
SINCE 1974

ABOUT MONCHHICHI

.....

Monchhichi was created by Japanese doll company Sekiguchi. The first dolls were twins, a boy and a girl, and were an immediate hit.

“Mon petit” means “my small cute thing” in French.

+

“Mon” from the English word “monkey”

+

“Chu-Chu” is like the sound of a baby sucking on a pacifier in Japanese.

ABOUT RAINYLUNE

.....

Son the Frog

Son the Frog is just your average, everyday frog. His favorite hobby just happens to be committing crimes.

Friend the Frog

Friend the Frog is a plushie who magically came to life one day. He wants to learn how to be a good frog. He is doing the best he can.

Sprout the Frog

Sprout the Frog is a grumpy little frog who likes gardening. He hopes that one day the sprout on his head will grow into a very large tree.
